Storm Collar S/S	95560	21.90	22.68	26.71	30.54	37.37	39.18
Angled Storm Collar S/S	95550	21.90	22.68				

ADDITIONAL INFORMATION

All Universal Accessories are ordered by using external diameter size for the Product it is to be used with. For ICID this is the same as the external diameter of the Product e.g. 94670256 FIRESTOP (2 PCE).

To suit 200mm internal diameter ICID.

- When ordering please state PART NUMBER, which is obtained by combining the ITEM REF. with the ORDER REF (e.g. 150mm Diameter Raincap: PART NUMBER DN21037150)
- All pipe lengths stated are nominal
- Locking Bands if required should be ordered separately
- ** Flashing are supplied with a stainless steel storm collar and sealant.
